COMMITTEE DESCRIPTIONS

CORPORATE & CHAPTER SCHOLARSHIPS, I.E., ASIST (Adult Students in Scholastic Transition)

ASIST is both a Corporate-level and a Chapter-level program. The program assists individuals interested in enrolling in school or educational programs to prepare to enter the job market. Scholarships are based upon financial need, are awarded in August, and are normally paid in July or December to correspond with appropriate school terms. ASIST is a function-level responsibility of the B/C/DP Committee.
