**Executive Women International Scholarship Program (EWISP)**

This is both a Corporate-level and Chapter-level scholarship program. The Committee meets in August or early September to organize the program for the coming year. Members contact schools to encourage student participation and follow the student through the program until the May scholarship meeting. An orientation for counselors and students is held in January. Judging is completed in March/April. The scholarship presentation is normally made at the May Chapter meeting. This is a Committee under the oversight of the B/C/DP Director.
